# **SPECIAL SELECTED LIBRARY ACQUISITIONS .**

**March-April 1996**

## FOREWORD

This issue of the **Selected Library Acquisitions (SLA)**, covers the period of March ~~thru~~ April **1996**. Entries are inter-filed and are arranged in double column format by subject area with each holding location being listed under the entry. Beginning with this issue CD-ROM titles will be included in the **SLA** list. For a complete listing of all CD-ROM titles in the DOT Library see the list at the back of this publication.

**SLA** consists of bibliographic citations to titles cataloged and added to the Library's collections. Request publications by classification number and/or by author and title. Publications marked "**REF**" and "**CDROM**" are available for use in the Library. Reference books are generally not charged out to patrons. DOT personnel may borrow material from the following locations:
